Discover **Maxpack**

A portrait of Edwin Maxim, an elderly man with white hair and glasses, wearing a light blue shirt. He is smiling slightly and looking towards the camera. The background is a blurred office setting with a blue logo visible.

Edwin Maxim started Maxpack's original family firm back in 1976 as a bespoke framing service to retailers, photographers, interior designers and fine art publishers.

A small blue logo consisting of two curved shapes, one above the other, resembling a stylized 'M' or a leaf.

Maxpack was born out of the firm in 1996 with the vision of serving the retail industry with packaging consumables. Serving the customer has remained a foundational strength which has provided the basis of consistent sustained growth. Today our family business continues to deliver a high quality, person centred approach to each of our customers.
